Description

A very nice vintage Chinese cloisonne jardiniere' with the dragon serpent and phoenix bird design that wraps around the vase. The enamel design is done in a variety of blue, red, green tones. The upper shoulder has a fancy flower border design while the lower portion of the vase has the panels with phoenix birds and dragon serpents that repeat around the lower portion of the vase. The inside and base have the mottled or textured blue enamel covered surface. It looks very nice overall showing minimal signs of past use and long term storage. A few micro tiny spots and crazing are seen.
