Description

A beautiful antique military campaign rosewood side chest of drawers. This was made in England, we would date it to around the 1930's. It is of outstanding quality and is a very useful size. It is perfect for use as a bedside chest, the back and sides are beautifully finished as well, so it can be used as a free standing side table. The rosewood grain patterns are stunning, this has high quality brass hardware. The drawers display wonderful cabinetry with fine, hand cut dovetailed joints. We have had this re-polished, the condition is excellent for its age. Width – 17 inches , 43 cm Depth – 17 inches , 43 cm Height – 23 inches , 58 cm
