Description

A lovely pine chest of drawers dating from late 19th Century with a pretty raised shaped gallery on three sides. The pine has a lovely pale colour and a smooth waxed finish. Each drawer has turned wooden knobs and it stands on turned bun feet. It is a nice small size whilst still offering plenty of storage in two small and two long drawers. It is in very good condition for its age. Each drawer is generally clean and tidy and opens and closes smoothly. There are some signs of age and use with some light surface marks, minor knocks and a few old splits but nothing detrimental. It has been cleaned and given a gentle polish and is ready for use.
