Description

A beautiful very high quality pair of American solid sterling silver cocktail glasses. They are hallmarked STERLING along with the makers marks of Tiffany and Co, used 1907-1947. I would date these to c1920s. They have a very stylish design and are in super condition being free from dings splits distortions and repairs. They measure approx. 4.25 inches (10.5cm) tall by 2.75 inches across the rims and combined they weigh 248 grams. A top quality well made very stylish set epitomising the era.
