It unfortunately had a blockage in the arm so we had to make several holes and sympathetically repair it. The replace is to the top of the arm so cannot be seen in situ. We've covered it and gilded it so it can't be seen. We would typically retail this chandelier at £395 plus delivery. This is a lot of chandelier for £295.... Collection is required. Last photo shows repair. All our chandeliers, lanterns and wall lights come with aged screws or fittings.
