Description

A shining silver good luck token - perfect as a special occasion gift or for a day at the races! This is a particularly nice large example, with lovely crisp detail. SIZE: Approximately 3.5 x 3.8cm. WEIGHT: 6.9g. MATERIALS: 925 sterling silver. HALLMARKS/STAMPS: None. CONDITION: The brooch is in very good antique condition with normal minor wear for its age. There is a slight raised crease (?) when seen from certain angles, which is barely noticeable but we mention for accuracy - see photos, it's at the "nine o'clock" position.
