Rare Georgian silver token - artists pallett

Price

GBP 275

| USD \$372 | EUR 322

Item Reference: SA1162798**Date of manufacture: Georgian**

Description

A rare survivor. A Georgian silver prize token in the form of an artists pallet. No marks but tests as silver. Awarded to the Rev J Leigh in 1833. Extensive searches have shed no light on the recipient or what the token was awarded for. As it is in the form of an artists pallet we are presuming it was awarded for art. L 4 cm W 3.5 cm
