Description

We really can't sing the praises of these fabulously stylish wall lights enough. Originating from France these Art Deco matching pair of lights feature very heavy thick satin pressed glass slip shades which sit snugly inside brass wall brackets. Condition is great, the odd little nibble to the edges but these are hidden completely when held in brackets. Both lights have standard UK bayonet bulb holders. Recommend no more than 40 watts for best ambient lighting. These are a great size and will offer the perfect impact and impression to any room or entry way. FREE UK MAINLAND DELIVERY
