Description

Original 1930's Art Deco green glass 30 hour clock with chrome accents. Perfect size for desk or table. It's freshly serviced with the mechanism having been through an ultrasonic cleaner, reassembled and lightly oiled so is in good working order and keeps good time. 95 odd years old this clock will live another life time. No damage to report everything is in very good vintage condition. This lovely clock that will enhance any setting. All of our clocks and watches are fully serviced before we market them, you are buying a working timepiece not just an ornament. The most common color of uranium glass is pale yellowish-green, which in the 1930s led to the nickname "Vaseline glass" based on a perceived resemblance to the appearance (which was a yellow-green colour) of Vaseline brand petroleum jelly as formulated and commercially sold at that time,
