Description

An excellent marble top metal mounted stand of large scale, firmly attributed to Gabriel Viardot. Paris 1830-1904. Although there were a number of Parisian makers in the late 19th Century Paris making furniture in Chinese style the lower leg and foot on this stand is typical Viardot. He was also fond of using metal dragon mounts as in this case. This stand is of large stature and metal mounted to free stand if need be. Although unsigned, and much of Viardot furniture is not signed, this stand can really only be attributed to Gabriel Viardot.
