## Description

A large and impressive antique Georgian style mahogany breakfront bookcase. This was made in England, it dates from around the 1930-1950's. It is of superb quality, with fantastic proportions and lots of storage space. It sits on a plinth base with four panelled lower doors. There are four beautiful astral glazed upper doors, and stunning teardrop mouldings, beneath a dental cornice. The upper shelves are all adjustable, the inside is polished. We have just had this re-polished, it is in very good condition for its age. There is just some light wear here and there and a nice patina, commensurate for age. The top lifts off the bottom and this comes in two pieces for ease of transport. Width – 81 inches , 206 cm Depth – 16 inches , 41 cm Height – 85 inches , 215 cm
