Description

This chest is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The chest would look well in an old or modern property amongst similar antique pine furniture in a small bedroom. It would also look great between two single beds as a bedside cabinet. The chest stands on round turned bun feet supporting the main section. There are two small drawers over two larger drawers. The drawers have round turned wooden knobs, dovetail joints and are pine lined. The top is in good condition with a rounded bull nosed edge. The height is 76cm, the width is 86cm and the depth is 46cm.
