Description

This chest is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The chest would look well in an old or modern property amongst similar antique pine furniture in a large bedroom or any room for storage. It is rare to get one this size and shape. The chest stands on a square plinth supporting the main section. There are two small drawers over four larger drawers. The drawers have original bakerlight handles that is a nice feature. The drawers have dovetail joints and are pine lined. The top is in good condition with a bull nosed edge. The height is 95cm, the width is 62cm and the depth is 47cm.
