Description

Marked as foreign this wonderful clock offers everything an Art Deco admirer will appreciate. The movement runs on eight days and keeps good time having been fully serviced by our horologist. The casing is chrome with a silvered dial behind the glass, accentuated with a soft very pale yellow enamel border. The base is engraved to Ruth, a good old fashioned name and indicates it was likely gifted to someone special. The overall condition is great, little to no wear to the dial. Only the base & back plate seems to reflect the clocks age but nothing unsightly and mentioned only for accuracy, see images.
