Description

Antique silver Waltham Marquis pocket watch, 1912, super condition. The watch has a good quality 15-jewel stem-winding movement which is working nicely. The movement is fully signed and it has the serial number 18,453,505 which dates it back to 1912. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding crown and the loop. The case is silver and is hallmarked inside both of the case backs for Birmingham 1912 with a sponsor's mark for Aaron Dennison. The case is in beautiful condition, and has nice crisp engine turned detail to the hinged case back and a vacant cartouche. The glass lens is in lovely condition. The signed dial is in very nice condition too with original hands in a blued steel finish, a subsidiary seconds dial and outer minute track. The watch comes in a new presentation box.
