Description

A stunning, fine and impressive antique 15.40 carat high zircon, 0.56 carat diamond, 9 carat yellow gold and silver set ring; part of our collection of gemstone engagement rings. This stunning, fine and impressive antique gemstone ring has been crafted in 9ct yellow gold with silver settings. The substantial ring displays a large feature 15.40ct round faceted cut high zircon, four-claw set in relief to the centre. The elevated, pierced decorated ring shoulders are each ornamented with three pavé set Old European cut diamonds in a trefoil formation, integrating with the main setting and blending seamlessly with the ring shank. This antique ring has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 9 carat gold and silver. This impressive engagement ring is supplied with an IDGL diamond and gemstone grading report card. This antique blue zircon engagement ring offers a romantic and distinctive choice for engagements, anniversaries or milestone celebrations. Its vivid hue and antique charm make it ideal for those who value individuality, colour and timeless character. **NOTE:** * A high zircon is a natural zircon which has no...
