Description

An impressive and very well made antique mahogany serpentine chest on chest of drawers. This is in the antique Georgian style, and it dates from around the 1930's. It is of great quality, with beautiful flame mahogany veneers and cross banded drawer fronts. It is a great size with lots of storage space, there is also a useful pull out slide that comes out of the middle. This stands on bracket feet and has a lovely overhanging cornice. We have had this recently re-polished, it is in excellent condition for its age, with just some minor historical wear remaining here and there. This also comes apart into two pieces for ease of transport. Width – 29 inches , 73 cm Depth – 19 inches , 49 cm Height – 60 inches , 152 cm
