Description

This is a very elegant Georgian period campaign sofa. It is a very neatly sized example and stands on tall mahogany tapered legs complete with stretchers and their original brass casters. The overall condition is very good. The lower frame is repaired but the rest remains original. Gorgeous design and if you wanted to the whole sofa could come apart as its original design was to be on a campaign and dignitaries would have this carried around for them and re set up where they camped or stationed themselves. Measurements Height 92cm Width 133cm Depth 69cm Depth of seat 55cm Height of seat 52cm (On my website) If you would like this sofa upholstered please click yes in the upholstery drop down menu. This would require 9 metres of material. You can supply your own material or please get in touch and we will send you the list of fabric companies we work with. All my armchairs and sofas have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday.
