Description

A smart and elegant antique Edwardian inlaid mahogany side table. This was made in England, it dates from the 1900-1910 period. It is of fine quality and is a very useful size. The raised edges give this a great look, it would be perfect as a drinks serving table among other uses. It stands on beautifully tapered legs, the top has fine inlays of satin wood around the border and in the centre. We have had this re-polished, the condition is excellent for its age. There is just some historical wear and patina here and there remaining beneath the polish, seen in the images. Width – 30.5 inches , 77 cm Depth – 16.5 inches , 42 cm Overall height – 31 inches , 79 cm Table height – 28 inches , 71 cm
