Sold**Item Reference: SA1164249****Date of manufacture: 1890**

Description

Dehua blanc de Chine figure of a female archer, late Qing to early Republic. Rocky base; hat, cloak and patterned tunic with applied pendants; bow, quiver and sword. Female type indicated by facial modelling, waist and shoes. Base underside largely closed with a central vent; unmarked. Workshop production of good quality. The sword is a conventional accessory added to Dehua "warrior" genre models.

A good core piece for a focused blanc de Chine cabinet, with early date and unusually complete fragile details. Condition: excellent antique condition; no chips, cracks or restorations observed. Dimensions: height 17 cm; weight 249 g. Please study the accompanying photographs carefully as they form an integral part of this description. If you have any questions, we will be happy to answer them. The item will be shipped with full tracking and insurance.
