Description

Gents late 1950s Smiths De Luxe wrist watch. The watch has a 17-jewel 27CS hand-winding movement, made in England, which is working nicely. The watch measures 32mm diameter excluding the winding crown and the lugs. The case is gold plated and it is in lovely condition. Stainless steel case back. The lens is in lovely condition (some white reflection showing in the photos). The signed dial is in good condition with original hands and centre seconds hand with red pointer end. A new leather strap has been fitted. The watch comes in a new presentation box.
