Description

Type of artwork: Original Antique Copperplate Engraved Map – Rutlandshire, Divided into its Hundreds Surface: Laid Paper (mounted, ready for framing) Cartographer / Publisher: Likely to be John Cary / John Stockdale (c.1787–1805) Description: An attractive late 18th-century engraved map of Rutlandshire, divided into its hundreds and marked with towns, rivers, and parks. Executed in crisp copperplate line engraving, this piece captures the county in fine detail. Includes compass rose and scale of miles. Cary's atlases are widely admired for their clarity and precision, making them highly collectable today. Approximate age of artwork: c. 1790 Is the artwork Framed or Mounted: Mounted, unframed Condition Report: This antique map is in very good condition, with strong plate marks and clean paper. Some light toning/creasing consistent with age, but overall very well preserved. Please study photos for detail. Size of sheet including mount is approx: 37 x 44 cm (mount aperture approx 27 x 34 cm)
