Description

A beautifully hand made boxed unusual set of six solid sterling silver coffee spoons. They are hallmarked STG.SIL and test as such. I would date them to c1960s. They have been beautifully designed with their terminals being set with New Zealand green stone / jade. They are in good condition being free from dings splits and repairs apart from one which has a repair and small jade chip see final photos. They measures approx. 3.75 inches (9.4cm) long by over 0.75 inch (2.2cm) wide and have a combined weight of 44 grams excluding the box. A beautiful set.
