Description

A stunning, fine and impressive antique 1.69 carat diamond and 18 carat yellow gold trilogy ring; part of our diverse collection of three stone engagement rings. This stunning, fine and impressive antique three stone ring has been crafted in 18ct yellow gold. The pierced decorated setting displays a stunning central feature claw-set 1.20ct Old European cut diamond. The feature diamond is flanked on either side with a claw-set 0.26ct and 0.23ct Old European cut diamond. The elevated ring shoulders integrate with the setting and blend seamlessly with the plain ring shank. This trilogy engagement ring is hallmarked to the interior of the shank with the 18ct gold mark (18CT). This antique ring is supplied with three IDGL diamond grading report certificates. This 1900s diamond trilogy ring in gold is a timeless piece symbolising the past, present and future - an ideal choice for engagements, milestone anniversaries or romantic occasions such as Valentine's Day. Images do not always reflect the true colour and brilliance of gemstones and diamonds. The video however provides a truer representation of the actual colour and showcases each stone in this gold diamond ring. ...
