Description

This Edwardian Inlaid Mahogany Bijouterie Display Table offers a lovely place to showcase your collectables. Standing on elegant tapered inlaid legs that terminate in a spade toe. The shaped X-frame stretchers are also inlaid for decoration as is the small rectangular centre piece. The glass framework is also line inlaid with the bottom rail of the carcase inlaid with a Satinwood decorative banding. The hinged lift up lid is also decorated with lines and a Satinwood banding. The interior is lined with a sumptuous Ivory velvet. Presented in fully restored condition ready to grace your home, with the only small point to remark upon being that the top glass has some minor abrasions and scratches on it if you look closely, but as to be expected of a piece of this age.
