Depth = 17 cm (6.7")

Description

A fantastic late 19th century carved oak newel post finial in the form of a man balancing a ball upon his head. The newel post finial ball sits atop the frowning forehead of a carved figure with his eyes gazing up at it and mouth agape with concentration. The figure has a small fixing hole evident just above the neckline to the back, otherwise the whole is in a very good condition indeed. Dimensions:- Height: 29cm Width: 15cm Depth: 17cm DELIVERY UK Mainland: FREE International Delivery: Please contact us for a shipping quote.
