Description

A stunning, fine and impressive pair of antique Victorian 1.54 carat diamond, silver and 9 carat yellow gold floral cluster earrings; part of our diverse antique diamond jewellery and estate jewelry collections. These stunning antique diamond earrings have been crafted in 9ct yellow gold, with a silver setting. These impressive floral earrings are embellished with a feature 0.63ct and 0.61ct claw set Old European cut diamond. The pierced decorated flower head designs are each ornamented with eight Dutch cut diamonds, pavé set within incurved petal motifs. These earrings, for non-pierced ears, secure to the reverse with a 9ct yellow gold screw fit fastening. These stunning antique diamond earrings are hallmarked to the screw fitments with the 9ct mark (9ct) and have been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 9ct yellow gold and silver. These diamond flower earrings are supplied with two independent diamond grading certificates for the feature stones, in addition to an IDGL diamond grading report card for the supporting diamonds. Such original silver set examples are typical of the period and rare to the market. ...
