Date of manufacture: Edwardian

Description

Pretty little twin handled silver bonbon/sugar pedestal bowl by Asprey of London. The bowl has curvaceous handles and band detailing to the main body and foot rim. There is a nice confident hallmark to the top of the bowl for Charles & George Asprey London circa 1904 and it is further marked to the underside Asprey London. The bowl is in good condition with no dents or dinks but it would benefit from a good/professional polish to eliminate the water marks inside (as pictured) Total weight 98g Dimensions max 13.5 x 9.5 x 7cm
