Description

A beautiful and impressive antique French marble top coffee table. This was made in France, it dates from around the 1930's. The quality is superb, the frame is made from solid birch and walnut. There are very high quality gilt metal ormolu mounts and gorgeous hand painted Limoges plaques. The circular marble top has wonderful patterns and sits loose on the base. We have had the table frame recently re-polished, the condition is excellent with just some extremely minor wear remaining beneath the polish here and there.
