Description

A beautiful antique Victorian walnut serpentine centre table. The well-figured serpentine-moulded top is crafted in rich walnut, highlighting its beautiful grain and warm colour. Raised over a shaped frieze, the table is supported by a finely carved and turned central column, connected by elegant scrolled supports. The whole rests on a quadri-form base with scrolled feet and original castors, combining stability with refined elegance. A striking example of Victorian craftsmanship. Item Ref; M-6334 .
