Description

A fine Miniature Silver Carriage Clock with a simple case sitting on four squat feet the top finished with a elegant handle. The clock face with white enamel dial and Roman numerals. the original French 8 day running duration movement has been cleaned over hauled and is guaranteed. The Silver case has Hall Marks for H. Mathews Silver Smiths of Birmingham dating to 1916. 9.5cm high to the top of the carrying handle. Henry Matthews was a Birmingham based silversmith; his first mark was registered in 1894. His office was on Vittoria Street, Birmingham - a street that is famous for being part of the Jewellery Quarter in Birmingham. Matthews is particularly remembered for his small silver items that required great attention to detail.
