Description

DESCRIPTION: This truly is an exquisite French three-piece clock set which incorporates pink marble, an uncommon material which has been expertly sculpted for this garniture. The superb pink shade is a wonderful contrasted by ormolu decorations, which are a lovely classical design. The top of the clock is adorned with a bronze cherub with an ormolu torch in his hand seated on an ormolu mount. The mantel clock dial set out with dark blue Roman numerals with smaller black Arabic numerals above with finely pierced gilt brass hands. The dial is covered in bevelled convex glass in a finely detailed bezel. Below the dial is an ormolu laurel and torch cresting whilst to the corners above the dial is adorned with floral ormolu mounts. Further fine detailing adorns the top and the base of the clock. The clock is then mounted on bun feet. The two candle sticks are similarly designed, with each having a bronze cherub with an ormolu torch in his hand. A single candle fixtures adorn each candle stick, which is a finely detailed ormolu. The cherubs stands on finely detailed ormolu which in turn is mounted on square pink marble and bun feet. There is a door to the rear which when op...
