Description

A Lovely Antique Edwardian Sterling Silver Handled Magnifying Glass with flowing lines and a raised cherub design that reflect the romantic aesthetic of the early 1900's, adding an ethereal touch to this functional piece. Offers excellent magnification for reading fine print, examining small details, or simply enjoying as a decorative desk accessory. The silver hallmarks are a bit rubbed – circa 1905. * This piece reflects a time when even everyday tools were crafted with beauty and care. Measurements: Length: 9" (approx. 23cm) Diameter of magnifying glass: 4" (approx. 10cm) Total weight: 245g In good condition – Light surface wear and patina to the silver handle and on the frame consistent with age; lens remains clear and securely attached.

Internal Ref: P51633
