Description

This is an Antique Edwardian Mahogany Corner Cabinet with Bowed Glass doors c1901-11. It is raised on swept legs and a quadrant undershelf. The whole piece is inlaid with boxwood line inlay with a chequer boxwood and kingwood inlay on the top section. It retains its original linings, key, lock and escutcheon. It is in wonderful condition and a lovely piece. I know it's a lovely piece as it's mine and it has been in my own front room for some years now. Sadly due to a house move I don't have the right spot for it. It is 130 cms high 40 cms deep and wide.
