Description

A very smart Edwardian oak stacking globewernicke style bookcase by Minty of Oxford, circa 1910. All solid oak, with original small brass knobs, glazed and leaded opening doors. Breaks down into four sections. Original Minty of Oxford label to top LHS door. Whilst made as a bookcase, with the larger compartment and unusual cupboard to the base, we think this would make a fantastic drinks cabinet / bar. The larger compartment perfect for bottles, with the upper sections for glasses and the cupboard for all ones essential barware accessories! Cleaned and waxed. There is a £75 delivery charge on this item to the mainland.
