Description

A smart and extremely well made pair of antique mahogany military campaign style bedside chests with leather tops. They were made in England, and date from around the 1930's. The quality is outstanding, they are beautifully designed and are a great size. The mahogany has a gorgeous colour tone and patina, offset nicely by the brass fixtures and handles. The leather tops have a gorgeous green colour tone, with blind tooling around the edges. They stand on bracket feet and have lots of storage space inside the generous drawers. The backs of the cabinets are nicely finished in mahogany, so they could be used as free standing items. We have had them recently re-polished, the condition is excellent for their age. Width – 13 inches , 33 cm Depth – 18 inches , 46 cm Height – 24 inches , 61 cm
