Description

A wonderful antique George III sterling silver plate which is circular in shape with wavy edges, a plain body, a lovely ribbon-tied reeded border decorated with grapes and leaves and resting on a flat base. This beautiful plate is from the Lonsdale service by Paul Storr and was probably sold by Rundell, Bridge and Rundell. There is a crest at the top of the body with the motto of the Order of the Garter with an Earl's coronet below. It would make a useful addition to a Paul Storr collection and remains in excellent condition. The crest is that of Sir William Lowther who became the first Earl of Lonsdale in 1807. He was also made a member of the Order of the Garter in the same year. He lived from 1757 - 1844. Height: 1.7 cms (0.7") Diameter: 26.3 cms (10.4") Weight: 25.8 troy ounces (804 grams) It was hallmarked in London for 1809 by Paul Storr. Complimentary postage is included within the price of this silver plate. If you have any queries, please do not hesitate to contact us.
