Description

Antique Baltic Egg Yolk Amber Necklace – 1930s Graduated Beads 28" Long This beautiful 1930s Baltic amber necklace showcases the warm glow and organic beauty that make natural amber so sought after. Graduated beads of genuine egg-yolk orange Baltic amber display a rich, even colour throughout. Each bead has been individually hand-knotted and the necklace closes with a traditional barrel clasp for security. Recently restrung (November 2023), it is ready to wear and enjoy for decades to come. Measuring an impressive 28 inches (71cm), this necklace drapes elegantly and makes a wonderful statement when worn. At 80 grams, it feels luxurious yet comfortable, the larger beads towards the centre gradually tapering to smaller beads at the back for a flattering silhouette. A timeless jewel with vintage charm, this necklace would be a treasured addition to any collection or a very special gift. Supplied in the presentation box illustrated.
