## Description

A small oak chest of drawers dating from the early 19th Century. It is made of solid oak and has three long drawers with brass plate handles which, although are not original, suit the piece well. It is good quality with a moulded edge and small bracket feet. It is in good condition for its age. It has developed a lovely warm patina and is strong and sturdy. There are signs of age and use and it has picked up some small knocks, marks and a few small chips but nothing detrimental or untoward. The drawers are generally clean and tidy and open smoothly. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers. Please get in touch for an accurate quote to your location.
