Description

A fabulous set of 5 large oak display stands dating from the early 20th Century. They were most likely used in a shop window and are excellent quality with a distinct Art Deco feel about them. They have square stepped bases, square columns with reeded detail and flat square tops that mirror the design of the base. They are very decorative and are in excellent condition for their age with a lovely aged patina with a warm colour. There are signs of age and use, some small knocks and marks but nothing detrimental and they are strong and sturdy. Approximate Measurements : Largest : Height : 24" / 61cm Width : 8" / 20cm Smaller : Height : 14 1/2" / 37cm Width : 6" / 15cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
