Description

A stunning, fine and impressive antique 1.89 carat diamond and platinum three stone ring; part of our collection of diamond engagement rings. This stunning, fine and impressive diamond platinum three stone ring has been crafted in platinum. The pierced decorated antique ring setting is embellished with a claw set 0.85ct Old European round cut diamond. The central stone is flanked with a 0.56ct and 0.48 Old European round cut diamond, claw set in a vertical trilogy arrangement. The elevated ring shoulders integrate with the claw setting and blend seamlessly with the plain platinum ring shank. This platinum trilogy ring has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as platinum. This impressive antique engagement ring is supplied with three IDGL diamond grading report certificates. Such evenly coloured diamonds in a low swallow tip claw setting are becoming increasingly difficult to locate. This 1920s 3 stone diamond ring in platinum is a timeless and meaningful piece. Its trilogy design, symbolising the past, present and future, makes it an exceptional choice for engagements or milestone anniversaries, as well as a...
