Description

Victorian inlaid walnut 4 door credenza This exquisite Victorian inlaid burr walnut credenza is a superb example of 19th-century craftsmanship. The richly figured burr walnut is beautifully crossbanded in striking purpleheart, showcasing the natural elegance of the wood. A fine criss-cross inlay adorns the frieze, complemented by ornate gilt mounts that add refinement and grandeur. The central cabinet doors are flanked by bow glass display doors with a lined interior and fitted shelves, perfect for displaying treasured items. Elegant proportions and exceptional detailing make this antique credenza a statement piece for any period-inspired or sophisticated interior. A Victorian credenza with 4 doors is less common than the 3-door version and would have been originally purchased by a wealthy family to enrich their home. It adds a richness to the home, whilst also giving plenty of storage options. "There is scarcely anything in the world that some man cannot make a little worse and sell a little more cheaply. The person who buys on price alone is this man's lawful prey." Dimensions: 183cms wide 72ins 43cms deep 17ins 107cms high 42ins UK mainland FREE Other destinati...
