Description

A large Black Lacquered Standard Lamp with Chinoiserie Design. This lamp is a little different to the norm, as it has a particularly large and heavy shaped base. The height measurement is to the lamp holder, we are showing this with a Chinese style hand made silk shade, which adds extra height taking the total height including shade to approximately 2 metres. Normal wear on the lacquer from use. The price is for the lamp base alone. An imposing lamp which would enhance any interior design. Dimensions: H: 180cm (70.9") to lamp holder. Diameter of base: 40cm (15.7") **PRICES ARE BEING DRAMATICALLY REDUCED NOW DUE TO OUR RETIREMENT SALE. PLEASE CHECK OUR OTHER LISTINGS!**
