Description

A characterful antique oak coffer, beautifully constructed with a rich, dark finish and classic fielded panel design to the front. The surface displays a warm patina and gentle wear, bearing the hallmarks of age. Generously proportioned, the interior includes original candle boxes on one side, an appealing period detail that adds both function and historical interest. As expected with antique furniture, there are historic knocks, marks, and surface imperfections, all of which contribute to the piece's lived-in character. With its understated design and solid craftsmanship, this versatile coffer offers timeless appeal. Ideal for use as a blanket chest, coffee table, or hallway feature, it brings warmth and practicality to both traditional and modern interiors.
