Description

A dramatic and finely executed silk scroll painting by Japanese artist Sakuba, complete with its original storage box.. The Scroll depicting a tiger poised on a rocky outcrop beneath a full moon. The bold brushwork and subtle washes capture the animal's raw intensity—mouth agape, muscles taut—symbolic of strength and courage in East Asian tradition. Set against misty mountains and windswept trees, the scene evokes solitude and wild majesty. The scroll is bordered in ornate brocade and mounted on a wooden panel for display. Likely mid-20th century, this piece reflects technical mastery and cultural depth. A striking decorative work, ideal for collectors of Japanese art or those drawn to expressive wildlife imagery.
