Description

A fabulous pair of hand carved owl bookends dating from the early 20th Century. They are very good quality and are made from solid oak with glass eyes and have lots of lovely carved feather details. They are a large size making them very decorative. They are in good original condition with a lovely patina. There are minor signs of age and use but no damages. They have been cleaned and lightly polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
