Description

A lovely pair of Staffordshire greyhounds, dating from the late 19th Century. Both are modelled lying down with their front paws outstretched. They are on deep blue bases with gilt lining and a hole in to rest your pen or quill. They are good quality and in good condition for their age. There are typical minor flaws and some small firing cracks but no major damages and they display very nicely. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £7
