Description

A lovely example of a Georgian patch box dating from the late 18th Century. It is enamel and has a white lid with a wonderful motto "How much to be prized and esteem'd is a friend on whom we may always with safety depend". The bottom half of the box is a pale pink colour and the interior is white with a mirror under the lid. It is in good condition for its age but unfortunately there are some chips around the outside (see photo) and some crazing internally. There are a few old age spots on the mirror but overall it still displays nicely. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £7
