Description

A charming antique pond yacht dating to around 1900, complete with its original fittings and wonderful patina. This finely crafted model features a painted wooden hull with traces of its original blue/green finish below the waterline, and a natural weathered deck inset with a metal tag engraved "Red Lancer". The yacht retains its cloth sail, rigging, and mast, displaying age-related wear consistent with use and time, which only adds to its authentic maritime character. Standing proudly on a later wooden stand, it makes a striking decorative piece with strong nautical appeal. L 128cm (50.5") W 29.5cm (11.5") H 160cm (63")
