Description

A striking Japanese ceramic bowl with a scalloped edge and a distinctive two-tone design. At its centre, a blue and white medallion features a geometric emblem encircled by stylised chrysanthemums and swirling cloud-like motifs. This intricate composition is framed by a soft green band with vertical ridging, bordered by a fine blue line that echoes the interior's palette. The exterior is equally captivating, adorned with medallions depicting figures and horses, set within floral and foliate surrounds. The crisp white ground offers clarity and contrast, allowing the cobalt detailing to shine with refined elegance. A beautifully balanced piece that blends traditional symbolism with decorative sophistication.
